

**International Emergency Drone Organisation conference in Paris on 12/13<sup>th</sup> January 2022**

The IEDO and IPA have completed a memorandum of understanding (MOU) and both Organisations agreed to establish a partnership in the field of sharing professional knowledge and training. IEDO members include firefighting services / search and rescue / police.

To this end the IEDO are now holding their inaugural conference in Paris on the above dates.

For IPA members the admission fee includes 2 full days and lunch both days for only 30 euro.

Registration is currently open, and it is expected to bring many participants.

Registration and full details of accommodation etc is available at this website
